

EBA – Have your say

The CFMEU is gearing up for next year's EBA campaign – and the leadership needs your feedback.

A member survey linked to the homepage of our website – www.cfmeuvic.com.au – asks what is important to you in the new agreement. It only takes a few minutes to complete.

Let us know your priorities: wage rises, superannuation, RDOs, carer's and parental leave, apprentices etc.

One question deals with the sort of action you are willing to take to secure a good agreement.

The survey also asks your views on the CFMEU and what sort of relationship you have with the Union. This helps improve our performance.

Ark Tribe verdict postponed

Again! Ark will now hear his fate in the Adelaide Magistrate's Court, 9.30am Wednesday 24 November.

Ark has done the CFMEU proud in standing up to the ABCC. For refusing to attend their secret interrogation and dob in workmates, he could be jailed for six months.

The CFMEU position, supported by other unions, is that there will be a nationwide strike if Ark is locked up.

End of year function

Stewards and OHS reps end of year function will be held following the combined meeting at Trades Hall, 10am Thursday 9 December.
